**DETAILED ACTION**

**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Tiffany A. Fidler on Friday February 12, 2010.

The application has been amended as follows:

**Claim 5**, is cancelled.

**In claim 9**, last line of claim, immediately after "surface of the pads" - - wherein each loading element is provided with a dynamometric tape to check and provide feedback of the pulling force in order to adjust said loading elements to achieve the desired force for exercise therapy- - was inserted.

**In claim 12**, line 8, immediately after "provided with a dynamometric tape" - - to check and provide feedback of the pulling force in order to adjust said loading elements to achieve the desired force for exercise therapy - - was inserted

***Allowable Subject Matter***

**Claims 2, 4-7, and 9-14** are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or render obvious a suit for forcedly modifying a human posture via loading elements and producing an increased load on a locomotion apparatus for exercise therapy, wherein each loading element is provided with a dynamometric tape to check and provide feedback of the pulling force in order to adjust said loading elements to achieve the desired force.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert F. Long whose telephone number is (571)270-3864. The examiner can normally be reached on Monday-Friday (7:30-5).
